

MARLA LEHBERG

Sales Representative

Marla Lehberg has been selling Toronto homes since 1987 and has been recognized by each of the firms where she has worked as a sales leader. Since 1999 Marla has been with Chestnut Park Real Estate Limited and this marriage has proven to be an excellent choice, the professional care and ethics that have always been a staple of Marla's practice fit the corporate identity of Chestnut Park ideally.

While she has experience across the GTA, Marla's specialty is the core neighbourhoods of central Toronto where she has a 28 year track record and a sales record of hundreds of homes. Decades of experience in a variety of market conditions has provided Marla with a client book that enables her to be selective about who she works with and how she effectively uses her time. The nuances of neighbourhoods and individual streets along with a nearly 30 year career has created a knowledge base few can match.

The focus of Marla's career has been on placing her clients in the right home, in the right neighbourhood, on the right street, & most importantly in the right house. Getting these elements right and seeing the satisfaction of living in a home you come to love while knowing your investment is sound and will grow in value because you made the right decisions is the key to content clients and the repeat business that quality service will produce. This success is why Marla has numerous clients who place absolute faith in her for making their selections of where to live as their needs and wants change over the course of a life time.

Marla is happily married with 3 children & committed to community service
